

# GUY STUFF!

## TUESDAY, 3/24/20

### Join Us

A night just for 6th grade boys and their dads (or male adult mentors)! We are pleased to welcome Craig Cooper, a subject matter expert who has led this session at a number of IUSD schools. He will speak to our young men about their health and what to expect as they transition to adulthood.

A pizza dinner will be served, gift bags will be distributed, and boys and dads will get to have an informative and fun night out away from the ladies of the house!

Please RSVP at: <http://bit.ly/guystuff20>
